Sarah: fyi, beside trying to get the CRST scheduled for remote consultation through Alfreda before June 17th, preparing for this tribal community outreach effort (see below) is the other major milestone we are trying to complete in the first half of June.

Hi Jennifer,

I added a couple of past events to the Comm Strat Matrix. The communication plan document has not changed.

I am going to be on vacation starting tomorrow & back in the office on Monday, June 6. Could we maybe get together that week? I think our plan is to come up with a strategy that we would brief up the management chain and present to the Oglala Sioux Tribal Leaders when they come visit on June 17. Is that your understanding, too? I am copying Douglas, because he is available in case you need any info while I am out of the office.

Thanks!

Valois
